Shaw Church is unique! Not least because all the individuals and families who come are unique! As a result we want there to be room for all and pray that you will find a sense of the presence of God in our services here. But we also recognise the importance of relationship with one another too, which is why there is always coffee ,tea and chat after our Sunday Worship.

We are part of an ecumenical partnership and our services reflect that. The style varies from week to week, depending on who is leading as well as the type of service. We usually have a family service once a month and other weeks there is a table of things for children to do. God.com (our 11+ group) meet during the service time once a month. There is also a room adjoining the worship area where there are toys for young children and you are welcome to listen to the service from there if you want to use it.

Our building is quite big and complex, so please don't be afraid to ask if you need directions

We share our Minister with Toothill Church, and it is the nature of the Partnership that a variety of people from the West Swindon and the Lydiards Churches lead us.

If you have any questions or comments please speak to any of the stewards, or those who have taken part in the service. If you would like a visit from Anne, the minister, then please fill in the card opposite, or telephone or e-mail her, whichever is easiest for you.

We hope you have enjoyed your time with us and will visit again .

If you would like to talk to the Minister or another leader in the church please let us have your contact details.
